

ICSOM Officers

ICSOM Officers from 1962 to Date

From 1962 to 1984, terms of office were for one year, thereafter for two years. In 1984 terms of office were staggered, officers being elected in even years, members at large in odd years beginning in 1985. (Members at large were elected for a one-year term for 1984-1985.) Beginning in 2004 terms of office were changed to stagger both officers and members at large. [In 2004 chair, treasurer and editor were elected to two-year terms; president and secretary for one-year terms. In 2005 president, secretary, and two members at large were elected for two-year terms, the other two members at large for one-year terms.] Beginning in 2006 two-year terms for chair, treasurer, editor and two members at large were elected in even years; president, secretary and two members at large in odd years. Unless otherwise noted, officers served terms concurrent with the periods between conferences of the years given. *[Italicized name = deceased]*
